See front page for Dates and Ages.

REGISTER RIGHT AWAY – CAMPS FILL QUICKLY! Our dance camps are a great summer activity! If your child loves to dance, and you are looking for a positive and entertaining way to occupy your child's time this summer, then here's the thing for you! Each camp offers a variety of dance instruction styles with an age-appropriate amount of technique, all inspired by a fun theme. Each day, students will be provided with a snack and a craft activity. (Please note your child's food allergies on your Registration Form.) Friday's class will culminate in a short performance for family and friends. Camp instructors include a mix of CDT staff.

Class Descriptions

BALLET

This class will expose dancers to a classic art form without requiring them to attend Ballet classes several times a week. It will include barre, floor, vocabulary, and choreography. The technique, confidence, and grace dancers develop will be a compliment to all styles of dance.

CONTEMPORARY

This popular style of creative and expressive dance combines elements of Jazz, Modern, and Ballet.

CREATIVE BALLET

This developmental class will provide a solid dance foundation while allowing children to experience many types of movement, music, and props. The fun themes and stories used in class will allow dancers the opportunity to explore their own creativity.

DANCE 'n PLAY

Young dancers explore movement with parents and peers while enjoying activities and props set to fun music. A great way to introduce young children to dance and social learning.

HIP HOP

Hip Hop is a street-originated style of dance. Students will be kept up-to-date on the latest moves and music trends as seen in popular music videos and movies. This class is perfect for high-energy dancers who like to get funky.

JAZZ

Jazz dance emphasizes a rhythmic awareness. Includes technique, stretching, strengthening and combinations. *Contemporary Jazz places an emphasis on conveying a story or emotional connection.

LEAPS & TURNS TECHNIQUE

Don't miss the chance to continue improving your technique over the summer! The focus will be on turns and leaps while also working to increase flexibility and strength. This is a great class for Dance Team members.

PARENT & CHILD TAP

A memorable, bonding time for a parent and child! Come have fun together while learning Tap steps and fun routines. Tap is a true American art form. Tap dancers will enjoy memorizing fun combinations and making "music" with their own feet!

PERFORMING GROUP INTENSIVE

Taught by a CDT performing Group Alumna, this class will focus on the techniques and genres offered in Jr. TOPs and TOPs. The Pre-Performing Group class is meant to prepare students interested in pursuing CDT's Performing Groups in the near future!

POINTE

This class will help dancers develop the required strength, alignment, and technique to dance en pointe at the barre and on the floor.

POINTE PREP

This class should be taken in addition to your ballet technique class. Students will focus on building strength and flexibility necessary for success in pointe shoes. The class will include exercises to develop foot flexibility and proper alignment while increasing ankle and leg strength.

"POP" HOP

This exciting class is an age-appropriate version of hip hop for younger dancers. "Pop" Hop will use today's pop songs and moves, creating a fun way for our young dancers to get funky! It will also include cardio, circuits, and strength training moves.

TAP

Tap is a true American art form. While combining classic dance steps with rhythmic syncopation, students will develop a sharper sense of rhythm and coordination. Tap dancers will enjoy memorizing fun combinations and making "music" with their own feet!
